

MOL-CLEAN INF

Product Description:

MOL-CLEAN INF is an aqueous, mild alkaline industrial cleaner, formulated to provide iron corrosion inhibition and a low foaming profile.

Features:

- Good detergency properties.
- Excellent bio stability.
- Low foaming at ambient temperature.
- Reduces maintenance and disposal cost.
- Minimizes scrap rate which improves productivity.
- Leaves a temporary corrosion preventive film on the metal

Applications:

- Designed for inter-operational and final cleaning operations of ferrous parts and components,
- Suitable for use in a wide range of industrial spray and high pressure process cleaning.
- Particularly recommended where good corrosion protection is required

Health, Safety and Environment:

- Normal safety precautions (gloves and safety goggles) Should be employed
- Avoid eye and prolonged skin contact.
- Wash thoroughly after handling material.
- Don't discharge used oil in drains, dispose to an authorized used oil collection point
- For more information, please see the Material Safety Data Sheet (MSDS).

Storage Conditions:

- Should be stored sealed under normal conditions.
- Shelf life in original package and at room temperature is 2 years

Packing Available in:

- 15 Kg - 170 Kg

Physical and Chemical Conditions:

MOL-CLEAN INF	Value
Appearance	Visual Clear, pale yellow liquid
Density @ 15°C, g/cm ³ ASTM D 1298	1.05
pH @ 3% ASTM E 70	10.6
Refractometer Factor	2.7

*Meets the requirements of the OEM manufacturer.

*The stated values can fluctuate within the normal range.
